LEARN TO  
DYE TEXTILES  
WITH  
NATURAL  
MATERIALS

SATURDAY APRIL 12 FROM 2-5PM

## COLOUR WITH POMEGRANATES

You are invited to join Abedar Kamgari to eat pomegranates and share stories. Every part of the fruit is useful. After eating the seeds, we will make natural colour from the pomegranate skins. We will learn to extract natural dye from pomegranates to colour fabric. We will consider how plants carry stories: about the land, its people, and their histories.

*Second Saturdays are made possible through support from the incite Foundation for the Arts.*

*To register contact Embers Carroza by email or phone at [ecarroza@n2ncentre.com](mailto:ecarroza@n2ncentre.com) or 905-547-1334 x 304. You can also register in person at the N2N Community Food Centre.*

## SECOND SATURDAYS ARE FOR FAMILIES

10-310 Limeridge  
Road West  
Hamilton, L9C 2V2

In partnership with  
Workers Arts and  
Heritage Centre
